A cryptocurrency address is a distinctive string of varied letters and figures. This publication is one in a series of four books. Each reserve has a unique clue leading to the puzzle solutions. The intent of the book is definitely for the reader to find the Stellar cryptocurrency address. The puzzles in this reserve are designed around that. Whomever solves the puzzle initial, and is the initial to react with the right solution, will have access to the Stellar (XLM) Lumens cryptocurrency deposited in that account.
