A cryptocurrency address is a unique string of various letters and numbers. The puzzles in this reserve are designed around that. This publication is one in a series of four books. Each reserve has a unique clue leading to the puzzle solutions. Whomever solves the puzzle first, and is the first to react with the correct solution, will have access to the Bitcoin (BTC) cryptocurrency deposited for the reason that accounts. The intent of the book is normally for the reader to find the Bitcoin cryptocurrency address.
