This is the second series in cryptocurrency puzzle books by the author. Whomever solves the puzzle initial, and is the 1st to respond with the right solution, will have usage of the Bitcoin (BTC) cryptocurrency deposited in that account. The puzzle in this reserve was created in a graphical format around that characteristic. A cryptocurrency address is a unique string of various letters and numbers. The intent of this book can be for the reader to find the Bitcoin cryptocurrency address. This book is one in a series of four books. Nevertheless, the mix of the four books provides exclusive clues leading to the other puzzle solutions. Each publication in Series II includes a single cryptocurrency address. The clues in this series are designed into the puzzles.
