## Iota Phi Theta Secrets: The Little Unauthorized History Study Guide

[continue reading](#)

\*\*There is a new version (2018) of this book sold exclusively at BLACKGREEKHELP. It includes information about the origin of the business, founders, traditions, and key college greek nomenclature. This collectible small history study reserve includes the unauthorized history of Iota Phi Theta with a COLLECTIBLE Publication COVER.COM\*\*.

I want my cash back! This book is a rip off. I really rate it as 1/16 of a Superstar. Most sensible thing I can state about any of it is it can be recycled. A lot more than 3/4 of book does not even point out Iota Phi Theta. There s nothing that's not common knowledge in however.
