IN-MAY 2013, China's main state-run broadcaster aired a documentary in regards to a little known virtual currency called Bitcoin.s cost and popularity also attracted government scrutiny, causing an unforeseen and catastrophic plummet in worth. In this China Special, finance industry professional Zennon Kapron investigates this mystical digital currency and the far-achieving implications of its make use of in China and all over the world. Over the next six months, the worthiness of Bitcoin rocketed as Chinese cash poured in. Sadly for most latecomers, the speedy rise in Bitcoin'
