Albany State University, located in southwest Georgia on the banking institutions of the Flint River, is a four-year unit of the University System of Georgia with five academic institutions and degree applications in more than 40 areas of study. Joseph Winthrop Holley and continuing through the leadership of five dynamic presidents: Dr. Jenkins (1965-1969); In 1917, it became a state-supported, two-year college (Georgia Normal and Agricultural College), and in 1932 entered the University System of Georgia. In 1943 it became a four-year institution (Albany State College) and experienced tremendous growth from 1943 to 1996, when the name was transformed to Albany Condition University. Within these pages are some 200 photographs depicting the growth initiated by Dr. Founded in 1903 as the Albany Bible and Manual Training Institute by Joseph Winthrop Holley, the institution-patterned after Booker T. Aaron Dark brown (1943-1954); Dr. William H. Hayes (1969-1980); Billy C. Dr. Washington's Tuskegee Institute-provided commercial, normal, and spiritual education for African Us citizens. Thomas M. Charles L. Dennis (1954-1965); and Dr. Dr. Dark (1980-1996). Current president Dr. Portia Holmes Shields began a major renovation plan for ASU-complete with fresh buildings and state-of-the art technology-after the devastating floods of 1994 and 1998. Poised for continued development in the 21st century, the historic institution and its rich background are celebrated in this engaging level of images.
