Seven stories simply by seven up-and-arriving Canadian women writers, handpicked by Canada' Nancy Lee from Vancouver explores a young female' this is actually the idea behind a compelling sound compilation of the best new short fiction. Margaret Atwood Presents features stories by Annabel Lyon, Caroline Adderson, Nancy Lee, Elise Levine, Lisa Moore, Kristi-Ly Green, and Sheila Heti. The Princess and the Plumber. In " Toronto article writer Kristi-Ly Green describes a primary-school course's leading lady of fiction and read by noted females actors s unusual relationship with her body. Haloes, "Malignancy," Sally In Parts,"" Lisa Moore of St. John's, Newfoundland, brings a haunting, sensuous intensity to a tale of love in " In " while Toronto's Sheila Heti upends traditional forms in the sharp urban parable, " Excellent, daring, funny, and frequently, these authors pull no punches when it comes to depicting society because they view it.s ambivalent responses towards a poor little rich woman. Vividly brought to life through the voices of Liisa Repo-Martell, Mag Ruffman, Chappelle Jaffe, Genevieve Steele, Sandra Oh, Juno Mills-Cockell, and Mary Lewis, these stories herald a thrilling new era of Canadian women authors.
