Virtual Tax 2018 Edition: The taxation of virtual currency

[continue reading](#)

This book, compiled by a federally licensed tax practitioner, explains the tax implications of shopping for, selling, earning, spending, giving, donating, inhering and buying virtual currency. If you are a experienced virtual currency user, this book will reply most of your tax questions. I understand how taxes issues will shape how you use virtual currency. In case you are considering investing in digital currency, read this reserve first so that you'
