This work has been selected by scholars to be culturally important, and is portion of the knowledge base of civilization as we know it. Within america, you may freely duplicate and distribute this function, as no entity (specific or corporate) has a copyright on your body of the work. Therefore, you will notice the original copyright references, library stamps (because so many of these functions have been housed in our most important libraries all over the world), and additional notations in the work. As a reproduction of a historical artifact, this work might contain missing or blurred web pages, poor photos, errant marks, etc. This function was reproduced from the original artifact, and remains as true to the original work as possible. This work is in the public domain in the usa of America, and perhaps other nations. Scholars believe, and we concur, that this work is essential enough to become preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and many thanks for being an important part of keeping this knowledge alive and relevant.
