Of all the wonderful things that Italy has given the world, nothing is quite as special as a dish of perfectly prepared pasta. The book contains both familiar recipes (some with a novel or speedy twist) and an array of more unusual recipes that attract on international cuisine and contemporary palates. Handy tips about pasta making and pairing the proper shape with the proper sauce are included. In 500 Pasta Meals the wonderful flexibility of pasta is revealed through history and an excellent collection of quality recipes that consist of: baked pasta, stuffed pasta, fresh pasta, dried durum-wheat pasta, gluten-free pasta, whole-wheat pasta, pasta soups, pasta salads, and tips for using leftovers. Experienced cooks will find new motivation, and novice cooks will discover that success can come with every food. The emphasis can be on creativity, easy-to-find ingredients, and simple instructions.
