The complete "Big" Walt Anderson series is normally a bunch of notes thrown together. B E W A R E! Save your money and your time!! B E W A R E The entire series of books by "Big" Walt Anderson, Small Things Collectible, and a lot of these various other "print-on-demand" book authors that clog up your book searches nowadays for legitimate books and information in the NHPC organizations, are all the same random notes and google-search/wikipedia information supposed "secret" information that is floating around for years re-packaged over and over!!
