## Crypto-Man Meets his Makers!: Episode 1: The Unbelievable Adventures of Crypto-Man (Radio Production Script)

[continue reading](#)

Paleontologist, Scott Trent, is unaware that he hails from a blood collection that has been carefully planned for millenia by a cadre of Cryptid Creatures. In this, the first bout of the series, our protagonist becomes the mark of their machinations and is normally contaminated with a prion that begins his transformation right into a super--hero.
