Hidden in the thickest area of the Everglades lies an archaeological secret so big that it will switch the behavior of mankind forever.. Laura Stephenson can be a straight-laced Coast Guard officer who unknowingly keeps the key all of them are looking for. A mysterious, maritime journal is discovered in 1896 by a Florida lighthouse keeper that links the lighthouse to a concealed South Florida treasure. But prior to the lighthouse keeper can act onto it, the journal disappears. But as temptation closes in, each one faces a shattered revelation of themselves with unintended implications. Staci Woodward leads just how as a South Florida archaeologist looking to confirm herself.. Some 120 years afterwards it resurfaces in the hands of Tony Hawthorne, an overzealous business tycoon who assembles a modern-time expedition on a quest to search for the exhilarating answers.

Good mystery/history/quest book I found this to be a fascinating book and I liked it. The author does an excellent job blending traditional fiction with modern fiction to consider you on a good adventure.
