Summary of a summary Not much right here. A couple of minutes of Google search period are certain to get as much or more. This very brief guide will only get you to the net with no information on what a genuine bitcoin transaction procedure feels like. Digital currency introduction A very precise look into digital currencies, the history, how to purchase and use. I'm locating the whole concept of bit coins extremely complicated, and easily had been to decide to purchase them, I would need to really improve my computer skills to do so... A good book to gain an understanding of what Bitcoin is . Never received it. Excellent book It helps me personally to understand the digital currency ecosystem. A good book to get an understanding of what Bitcoin is approximately and a strong indication of Digital Currency's that are trying to catch about the the BITCOIN bandwagon. Hone up on your computer skills! Good introduction Nice and easy go through. Nice introduction with more suggested reading. Short and to the point. I think you will need to do further research after reading. A good start to think outside the box A concise explanation dealing with alternative currency. A good start to think outside the box. Seller can eat my ass. I would not recommend this book Never received it. An excellent website that you can start is: best-bitcoin-broker.. Good introduction Good first-time introduction to the subject, worthy of the read for this purpose I would not advocate this Many of the guarantees in the launch of the book weren't fulfilled. One Star Meh This book is quite basic but good if you are new to Bitcoin This book is fairly basic but good in case you are new to Bitcoin. Vendor can consume my ass.com One Star I never received the book in the mail ? Good overview Good overview and interesting comparisons of Bitcoin and competing crypto-currencies. It really is a teaser of this whole motion towards decentralized currencies.. There are a lot more wallets and crypto currencies available now, but this is a good start to understand the idea.
