BLACK & WHITE VERSION Peercoin (PPC) is a decentralised cryptocurrency similar to Bitcoin. This book is a detailed history of the initial calendar year of Peercoin up to the 19th of August 2013 (the time at which the blockchain have been usable for just one year by everyone). It had been the first cryptocurrency to present a new form of timestamping (proof of stake) that allows users of the wallet to get a 1% price of return on the holdings per year.
