Spends too much time on blockchain While I would expect a book like this to spend time on blockchain, considering the title of the book, it spends inadequate time on smart contracts. 12 sheets. Avoid. That is a scam product. Yes, 30 pages. Most likely closer to the 5000 phrases mark or something similar to that. This is totally a fraud product. In the event that you haven't observed by the merchandise description, which I did not, it is a 30 pages "reserve". Seriously. Oh, yes that's like 7200 words on the book, you desire as there is normally many web pages that don't fill the 25 lines.e. Given the short amount of this book, I'd have expected a far more detailed focus on the intelligent contacts. Now, wait, there is even more, want to know about font sizing? There is similar to 25 lines per sheet with 12 terms per page. Now take the index, blank pages out and you get 24 pages, we. Avoid. A total joke.
