Good Mining insight and education The Mining section helped lots in
understand types of pools. Looking at the table of contents it appears
that half the book is just basic introduction to crypto coins I can find
on 100 webpages, so how much information can you really provide upon
trading in 13 pages? Great insight on the overall aspect of coins Great
insight about the entire aspect of coins. Today I want to buy in :),
Lets hope it skyrockets! Was a fascinating browse I beleive it covered
it well.. God Bless Five Stars Great publication best in class because
of this crypto currency discovered a lot well worth it! With only 26
pages you need more information on what .Great use of terms that are
understandable, crisp and clear.. With only 26 webpages you need more
information on everything you cover and how wellA "look inside" would
help. What I came across missing was within a pool, what could be

typical fees and range of percentages.
