No response from publisher UPDATE 4/2/2013: Though We never received confirmation or any response to my emails, I did so receive my order roughly six times after placing it..Unique review:Caveat: We ordered directly from the publisher, not through Amazon.com.I placed an order using bitcoin for concern #8 through the publisher's website on 3/27/2013.info, We never received an order confirmation from the publisher. Despite a successful deal according to Blockchain.. I'll happily upgrade this review upon effective resolution, but at this stage, buyer beware.. They've been unresponsive to multiple email messages requesting an order status update. A fast transaction, all things considered, and an excellent magazine - I just wish the publisher have been even more communicative.Ironically, if I had purchased with a debit card instead of bitcoin I could cancel my order or dispute the charge! Bitcoin Magazine is among the best resources for Bitcoin information As a person who finds myself explaining Bitcoin more than I'd ever thought I would nowadays, Bitcoin Magazine has been a fantastic reference for explaining Bitcoin to the non-technical masses while maintaining a complex side. OK Fairly out of date by the time you obtain it, but has explanatory info. Six more words required here, so...
