Don't bother. the book is not organized, spelling errors, incomplete sentences, grammatical errors - the 14 tear outdated will get an F. Worst book on the subject, or on any subject. Not really what I expected. Not very detailed information. I could have found better information by simply reading Wikipedia. Spelling errors and awkward sentences throughout. Can't believe it's a kindle book.. Horrible book. It's like written by 14 year-old child;. Not worth the money.
