LANDINGS

Nifty Journals

**ICO Research Cryptocurrency Journal: Make Favourite
ICOs List, Whitepaper Summary, Team Members,
Competition, Market Cap - (7.5x9.25) (200 pages)**

[continue reading](#)

Awesome journal for researching ICOs in particular and cryptocurrencies generally. But your copy today! For ex - Icon. Making the proper investment however requires deep study and ticking every container. Let this journal end up being your guide while you prepare for a moon landing. This journal will help you take note down all the considerations required when researching - producing notes off whitepaper, looking at team's linkedin profiles, platform on which it is being constructed, are they solving a pain point, may be the market cap too high and other stuff. ICO research is not easy and investing in ICOs does have an inherent risk however the rewards are stellar if you make the right choice.
