A continuation of Jack Temple's extraordinary healing abilities and the .. I wish I had 10% of his abilities with a pendulum and focusing on how the Universe and different energy systems function. It was too bumbling for me personally. His reputation was more of a legend when compared to a local boy produced good. Jack was a revered and skilled healer. A little too jumbled for me personally..However, Jack must have quit while he was ahead as a writer along with his first publication. This one looks like a whole lot of 'good suggestions' that were put in the blender.I regret my money was wasted on this 1 because it is currently in the 'donate' pile. A continuation of Jack Temple's extraordinary healing abilities and the health tools he has developed to help those in need of health restoration.
