FUD! FOMO! BTFD! In Crypto Slang, the Bitcoin zombies are headed To The Moon while Bitcoin, The King, holds the crown. New to Cryptocurrencies? Heard about Bitcoin but have no idea what Altcoins are? The first rung on the ladder is to learn the Cryptocurrency Slang! An absolute must have for anyone that adores Cryptocurrencies! Some become REKT by having Poor Hands while others achieve nirvana as they trip their coins to a new ATH. What? BEARWHALE, however, is patiently waiting around to destroy the Bitcoin zombies as the Litecoin Aliens and Ethereum Vampires are plotting to dethrone The King. Find out as you take a stroll through Crypto Slang and color a few of the creepiest Bagholding, Pump N' Dump, Hodl, Noob, and much more detailed and hand-produced Cryptocurrency zombies. Who'll prevail? As Cryptocurrency investors anxiously wait for the great Flipping to occur, the Bitcoin Maximalist are injecting all the blood-sucking fangs and slimy alien eggs with Bitcoin gold. Sit back, loosen up, and tune out as you color 40 creepy, disfigured, and demonic Cryptocurrency Zombies as they experience both discomfort and greed trading Cryptocurrencies.
