You want to find out about blockchain? Know a man (or twenty) who can't quit publishing stupid BitCoin memes to Facebook and bragging on how rich they are after one week of also knowing what it really is? After reading this book, the word "blockchain" will end up being drilled into your mind. THIS BOOK IS LITERALLY Nothing at all BUT BLOCKCHAIN! I did it for you personally. After seeing businesses that produce iced tea and e-cigarettes and bras transformation their name to "Blockchain" I figured I better hop in and make this book. You won't ever forget it. You're welcome.

Delivers exactly as promised And made me laugh to boot. Definitely worth the sit down elsewhere I skipped for the price.... This is a book for meme lovers and Blockchain fanatics.. I've made a decision to give it to a pal who'll give it to another friend, etc. permanently..I can't believe Amazon allows this rip off. Delivers just what it promises.This should had been in the humor section or joke section rather than business. The disclaimer should have been in the description. Blockchain!.... That is a book for meme lovers and Blockchain fanatics . I wish I have been at a bookstore therefore i could crack the publication open before I bought it. DO NOT EVEN GO THERE - 0 Stars How can I get my \$3 dollars back?I get his stage but. Blockchain! Blockchain! This book might not help you understand blockchains any better, but given all of the recent hype and cash-grabs around Bitcoin/Ethereum/Blockchain, it had to happen.Yes, go ahead and put BLOCKCHAIN and watch us go crazy.
