Blockchain for Everyone: Unlock the Secrets of the New Millionaire Class

[continue reading](#)

From the author of Mind Hacking and founder of Bitcoin Market Journal comes the first book to explain the money-making secrets behind bitcoin and blockchain in a user-friendly format. He wasn't a couple of years later, that same bitcoin was worthy of \$20,000. When John Hargrave first committed to cryptocurrency, the cost of a single bitcoin was about \$125; Packed with illustrations, Blockchain for everybody explains how (so when) to buy bitcoin, cryptocurrencies, and other blockchain property, with step-by-step instructions. Blockchain for Everyone is the first blockchain investing book written for the layperson: a guide that helps everyone learn how to build prosperity wisely. Sir John has unlocked their secrets. In Blockchain for Everyone, Sir John reveals the formula for buying bitcoin and blockchain, using real-life stories, easy-to-understand examples, and a healthy helping of humor. It's the new investing manifesto!
