How to Buy Ripple: How to Purchase XRP and Ripple the Easy Way

[continue reading](#)

Welcome to How To Buy Ripple. After having trouble adding Ripple to my own portfolio I made a decision to detail the methods so that future customers could undertake the process more easily. With an excellent pedigree and group behind it, I completely expect Ripple to overake Bitcoin altogether market value. I am not a cheerleader of the currency and if conditions change then so will my portfolio. Basically, the reason for this book's existance is the complex methods that it requires for a buyer to add Ripple to their crypto portfolio. Please be aware that this book isn't called Why To Buy Ripple. This is a user friendly guide that will show you the steps you should purchase Ripple.
