

The Grim Truth

About Bitcoin

Ron Charleston

The Grim Truth About Bitcoin

[continue reading](#)

This book cuts through all the propaganda that's espoused and promulgated by the devotees of the that which is named Bitcoin. Why Bitcoin isn't an asset! Why Bitcoin isn't a commodity! The writer explains: Why Bitcoin is not a currency! This reserve explains to you exactly what Bitcoin is, and moreover, what it isn't. Above all, by reading this book, it should be clear why you should not spend all of your wages purchasing Bitcoin.
