Mi Casa--La Casa de Sanchez ben Judah is the tale of Dell F. Meticulously, he demonstrates how his ancestors hid the secret of their accurate Jewish heritage by showing themselves as faithful Catholics and contributors to Catholic interests. Dr. Sanchez backtracks in genealogical background to unveil the secret of how his grandmother's ancestors descend from the Tribe of Judah, specifically through his boy, Perez. He tells the story of their getting kings of Israel and Judah. Sanchez captures the highlights of key ancestors dating back, century by century, all the way to King David. Dr. He portrays how they exited the infamous Babylonian Captivity and then become grand rabbis known as exilarchs and heads of well-known Hebrew academies and Jewish communities. Sanchez' ancestral family leading back again to Israel's King David. He displays how DNA testing, digitized genealogies and Jewish onomastics (titles) have got accelerated the quest of untold millions around the globe.
