The Cryptocurrency Adult Coloring Book by Bitcoin Ethereum Litecoin (named after his dad) The Crypto Coloring Book is your one-stop, fully decentralized coloring book full of badass black-n-white huge-sized coloring web pages with all sorts of cool images and logos you can color showing the world you are essentially smarter than they are. So while you're HODLing, watching Bitcoin as well as your alts rip a new a-hole in the fabric of space-time, let out your stress with some coloring fun! #Bitcoin #Ethereum #Ravencoin #Ripple #Lumens #moonshot #OmiseGO #BTC #ETH #RVN #XRP #XLM #OMG #Cryptocurrency #lambo While your Blockfolio account is mooning, you'll be quietly coloring apart, and when it's lambo time, and all of your greasebag friends and naysaying a-holes who said you had been stupid and simply buying nerd money without real value only designed for criminals and drug sellers (Jamie Dimon, we're talking to you), you'll be able to rip out a coloring page, write the words "Go -uck yourself" on the back, and mail it to them.
