Principles of Security and Trust (Lecture Notes in Computer Science)

This book constitutes the refereed proceedings of the 4th International Conference on Principles of Security and Trust, POST 2015, held within the European Joint Conferences on Theory and Practice of Software, ETAPS 2015, in London, UK, in April 2015. The papers have been structured in topical sections on info flow and protection types, risk evaluation and security plans, protocols, hardware and physical protection and privacy and voting. In addition, one invited chat is included. The 17 regular papers presented in this quantity were cautiously reviewed and selected from 57 submissions.
