This level commences with lessons in 'aqeedah about the implications of imitating others. It also includes a discussion about the symptoms of Allah (swt) which provide proof His Oneness. The material is presented, utilizing a spiral strategy, where college students revisit each region and study it in better depth every year. Students will find out about wiping over the socks and other materials such as bandages and plasters. The Seerah lessons cope with the Hijrah and the life of 'Umar Ibn Al-Khattaab (ra). The most significant aspects of Jumu'ah Salah, the status of Zakah, and the adhkaar stated before going to sleep and upon awakening are discussed as well. The final lessons in this publication cover the significance of friends and the threat of bad ones. In this grade, learners will recite the 28th Juz' and memorize Soorat Al-Qiyaamah and Soorat Al-Muddaththir. The Student's Textbook provides the subject text of the lessons, exercises as well as activities.
