Local Democracy and Development - People's Campaign for Decentralized Planning in Kerala

[continue reading](#)

The people's planning campaign in Kerala, India is a mass movement to empower local bodies, to get ready plans for comprehensive local development, also to create an environment for radical institutional reforms. Expertly combining theoretical analysis with empirical research, the book will be of interest to planners, economists, administrators, social activists, and those fighting for the creation of a truly democratic India. Regional Democracy and Developement gives the inside story of this exclusive experiment in democratic decentralization that has attracted attention around the globe.
