ICO Islamic Studies Teacher's Manual: Grade 2, Part 1(With Access Code)

[continue reading](#)

At this level, college students are introduced to Islam through the Shahaadah (testimony of faith). The Teacher's Manual contains guidelines for teaching each lesson, suggested pedagogical procedures and solutions to exercises and activities found in the Student's Textbook and the experience Book. The ICO project is definitely a distinguished one because: Our curricula meet up with the needs of the mark viewers for integrated, coherent, and appropriate curricula. The kids are taught the basics of cleanliness and ablution along with the proper overall performance of prayer. The material is presented, utilizing a spiral strategy, where learners revisit each region and research it in greater depth every year. The course ends with lessons on personal hygiene, respect for parents, and respect for the house of others. They find out appropriate care of the Qur'an and take part in memorization and recitation of soorahs from Soorat At-Teen to Soorat Al-Humazah. The life of Prophet Muhammad (s) is introduced. These were ready according to scientific bases, assimilating the newest educational and mental theories. They were made by unique educationists who are experienced in creating curricula and who are aware of the needs of the mark group. They utilized the newest techniques and educational helps. They went through many quality control procedures, which were carried out by specialized committees, and they were enhanced by teachers who evaluated the curricula before releasing them.
