Nav'k-Qar! the fabled Seven Shrines... At long last, one scholar found out the location of this elusive shrine, the greatest one of all. Given that all of his fans are long lifeless and the temples of the Gray One completely destroyed, the ultimate resting host to the cult's last riches is a source of speculation for generations. once surrounded by a cult which performed the most vile and evil functions in his honor... A name dropped to antiquities and feared only by the scholars who understand of the dread toad god's previous power.
