

The Biography of the Noble Prophet ﷺ

THE NIGHT JOURNEY & THE ASCENSION

By Sayyid Ahmad Khan

The Biography of the Noble Prophet Muhammad(s) - The Night Journey & the Ascension: Book Eight

[continue reading](#)

The Biography of the Noble Prophet (s) is a number of 20 stories from the life of Prophet Muhammad (s). It had been a night of honor and a guarantee of great what to arrive for the Prophet and his fans. The road ahead now seemed much less promising than previously. The Night Trip & The Ascension: The journey to Taa'if seemed futile to the reason for the Messenger (s). This caused him to become unspeakably disappointed, but he remained steadfast to his calling. In the meantime, the hostility of the disbelievers incited even more shocking violations against the fragile band of believing women and men. The books also display kids the worthiness of respect and encourages a spirit of cooperation among peers, thus teaching youngsters to enjoy a positive role within their communities. Then it just happened: one evening Allah had taken His servant and Messenger (s) on a miraculous trip that made all of the hardships he previously endured appear insignificant. Written in easy-to-read language, this series inspires kids to be moral, conscious and virtuous.
