The Biography of the Noble Prophet (s) is a series of 20 stories from the life span of Prophet Muhammad (s). Certainly is falsehood, [by character], ever bound to depart" (Surah al- Israa':81). The books also show kids the worthiness of respect and encourages a spirit of cooperation among peers, thus teaching youngsters to perform a positive role in their communities. The Conquest of Makkah: Quraysh was in a really difficult situation given that that they had broken the treaty. The very next day, the believers entered Makkah and conquered the Holy City with very little resistance. that the Messenger (s) secretly prepared to enter Makkah.H. It had been in the 8th season A. The Muslims remaining for Makkah on the 10th of Ramadan with an army of 10,000 guys. The Muslims camped outside of Makkah, and during the night the Prophet (s) commanded each one of the soldiers to create a fire. Quraysh saw the thousand upon thousands of fires and feared for the most severe. The Prophet destroyed all of the idols that were in and around the Ka'bah, where he recited, "And say, 'Truth has arrive, and falsehood has departed. The Prophet (s) fulfilled with Aboo Sufyaan and invited him to accept Islam, which he do. They did not know very well what their fate would end up being. The Messenger of Allah (s) forgave his enemies in Makkah and didn't take revenge against them. Aboo Sufyaan set out to discover what he may find out about the intentions of the Muslims with the Quraysh. Written in easy-to-read vocabulary, this series inspires children to be moral, conscious and virtuous.
