STUDENT'S TEXTBOOK
Grade One
Part 2

ICO Islamic Studies Textbook: Grade 1, Part 2 (With Access Codes)

[continue reading](#)

At this level, college students are introduced to Islam through the Shahaadah (testimony of faith). They find out appropriate treatment of the Qur'an and engage in memorization and recitation of soorahs from Soorat At-Teen to Soorat Al-Humazah. The life span of Prophet Muhammad (s) is presented. The texts have been distributed and organized in a manner that makes the text stick out, paying special focus on the font type and size, and the areas; The Student's Textbook provides the subject text message of the lessons, exercises, and also activities. The material is presented, utilizing a spiral approach, where learners revisit each region and research it in higher depth every year. The program ends with lessons on personal hygiene, respect for parents, and respect for the property of others. and shades were chosen carefully to charm to the prospective audience. Identify the right articulation of the different sounds through the study of the Glorious Qur'an. The kids are taught the fundamentals of cleanliness and ablution combined with the proper performance of prayer. The Technical Features: The textbooks have been designed in accordance with the international quality standards in all aspects: shades, paper, size, illustration, and printing. The Instructional and Linguistic Features: Reinforce the correct linguistic basis of the non-Arabic speaking college students. They build the learners' linguistic dictionary relating to their environmental needs. Provide non-Arabic speaking students with a good deal of Islamic vocabulary. They have been furnished with the correct illustrations and pictures which match the college students' educational stage and environment. Enable the learners to evade producing mistakes when reciting the Glorious Qur'an through employing the guidelines of the Arabic vocabulary.
