There are five content areas in the book: ' Aqeedah (Islamic doctrine) The Glorious Qur' an and its sciences Seerah (biography of the Prophet) and Islamic History ' Ibaadaat (Worship and Rituals) Morals and manners The material is presented using a spiral approach, where students revisit each area and study it in greater depth each year. The ICO task is a distinguished one because: Our curricula meet up with the needs of the target market for integrated, coherent, and appropriate curricula. The Student' s Textbook contains the subject text message of the lessons, exercises in addition to actions. They employed the newest techniques and educational helps. They were prepared by unique educationists who are experienced in creating curricula and who are familiar with the requirements of the prospective group. They were ready relating to scientific bases, assimilating the most recent educational and psychological theories. They experienced many quality control procedures, which were carried out by specialized committees, plus they were enhanced by teachers who evaluated the curricula before releasing them.
