[continue reading](#)

There are five content areas in the book: 'Aqeedah (Islamic doctrine) The Glorious Qur'an and its sciences Seerah (biography of the Prophet) and Islamic History 'Ibaadaat (Worship and Rituals) Morals and manners

The material is presented utilizing a spiral approach, where students revisit each area and study it in greater depth each year. The Student's Textbook provides the subject text message of the lessons, exercises and also activities. The ICO task can be a distinguished one because: Our curricula meet the needs of the prospective target audience for integrated, coherent, and appropriate curricula. Program Requirements for CD-ROM: Home windows 2000, XP, or Vista The Educational Articles Features: Reinforce the principle of forgiveness and the etiquette of disagreement with others. The Features and Characteristics of the Textbooks: These books were made by the International Curricula Corporation (ICO) and have certain features, which distinguish them from any additional textbooks: The Instructional and Linguistic Features: Reinforce the correct linguistic basis of the non-Arabic speaking students. Identify the right articulation of the different sounds through the analysis of the Glorious Qur'an. Provide non-Arabic speaking students with a good deal of Islamic vocabulary. They build the students' linguistic dictionary according to their environmental needs. They were prepared by unique educationists who are experienced in designing curricula and who are familiar with the needs of the target group. Develop the spirituality, morality, and values of the learners. Help students have great and balanced personalities. These were prepared according to scientific bases, assimilating the most recent educational and mental theories.
