In this grade, learners will quickly realize the wisdom behind Allah's (swt) mailing of messengers and revealing divine scriptures. The difference is certainly that the actions in the Activity Book are more evaluation - and- synthesis centered, than simple recall type activities. This book concludes with lessons on the adhkaar stated during windstorms or rain, and the etiquette of sociable gatherings. Lessons include the recitation of the 27th Juzuh; and memorization of Soorat Al-Muzzammil and Soorat Al-Jinn. The Activity Book engages the college student in additional activities on the same lessons handled in the Student's Textbook. It includes the biographies of Uthmaan Ibn Al-Affaan (ra) and Ali Ibn Abee Taalib (ra). The importance of Sawm and Hajj are essential topics discussed as of this grade level. The Qurhan; The materials is presented, utilizing a spiral strategy, where college students revisit each region and research it in higher depth each year. Existence of Hijrah may be the focal point of the Seerah section. They'll also study the real signifying of worship and the position of ihsaan. Glean more practical element aligned to activities in the Activity Book.
