Journey to Ethereum (The Angel Dialogues Book 1)

[continue reading](#)

In the realm of angels in a global between worlds, a man referred to as Teacher will undergo a journey that will define him and awaken the children of the All Father. The story “ “ He'll also meet the Son, who will give Teacher an initial hand look at the power of forgiveness, grace, the sacrifice upon the cross, and individual choice. Known as by the All Father, Teacher offers been transported to the land of Ethereum, where he will be taught the truth about the sacred scriptures and the power of setting up their earthly traditions and denominational misconceptions.Trip to Ethereum” is 132 pages long and includes an appendix with Biblical scriptures for further reading. On his trip, he will become guided, by the 'Messenger', who'll educate him what the All Father truly meant when he spoke of sin, accurate honor, and the Sabbath in the sacred scriptures.Journey to Ethereum””The Angel Dialogues. is the first in the series “
