

Million Dollar Hold'em

Limit Cash Games

JOHNNY CHAN

TWO-TIME WORLD SERIES OF POKER CHAMPION

Johnny Chan

Million Dollar Hold'em Limit Cash Games

[continue reading](#)

Chan, who regularly plays against and defeats the very best players in the world, shows how exactly to win money regularly at poker's most popular game-limit hold'em. No book so thoroughly details the idea process of what sort of hands is played, the alternative ways it could have been played, and the ultimate way to earn poker program after poker program. Players get a chance to get into the mind of a champion, as Johnny picks out illustrative hands and shows how he thinks his method through the betting and the bluffing.
