The Beginning of the Downfall (Crypto & Co)

[continue reading](#)

Johann is a soldier dark smith returning from war. He returns to find his father dead, the smithery looking for repair, and needing to start from nothing. With the courage of a great warrior, he squares his shoulders back and begins to rebuild his life. She knows she'll never be powerful more than enough to take the crown. What he will not know is that all of his plans will be changed

Clarissa is a young Dark Elf princess.s realm is in a revolt and the magic is failing.The start of the Downfall" When revolt breaks out in the realm, she's to flee to the surface globe to survive. To win she must make a deal with an Ancient being made of energy. Is definitely this her race's salvation or could it be "Queen Sybil"?

love the story Wow each book simply blows me away! something to attract me from the mundane globe into another place! thank you for the experience and fun, making the characters become more active on the pages, this is exactly what I look forward to when reading a book.
