Crypto-Squad 4 : By Jason Brannon and Eric S Brown I simply finished this publication in one day. Once again I was wishing for even more action and adventure in this 4th reserve in the series of the Crypto-Squad. Simply my opinion. ANOTHER GOOD SHORT BOOK! I must say i love the Crypto-Squad Series, and am looking towards enjoying a lot more adventures with these hero's. This story definitely had an excellent plot and again these 2 authors have great chemistry and compliment one another writing skills to format an excellent and thrilling browse. Thanks. hopefully a lot more. High praise to Jason Brannon and Eric S Brown for these fantastic books. Also I look forward to reading other books by these 2 authors. The individuals are neat and there is absolutely no shortage of monsters. I recommend to everyone they are missing out on whatever these 2 authors write together or various other books that they have written separately.

Many thanks Marie Marks. But it certainly left the ending room to have significantly more adventures like the first three books. Hello, The writer tells a good story. I wish they were full size novels. I've definitely added 2 new authors to my reading list. I think you should it. It was written in a very much shorter format then your Vol 1-3. I am looking towards the next tale of the Crypto-Squad Series, &
