Leopold Classic Library is certainly delighted to publish this classic book within our extensive collection. While some publishers have applied optical personality recognition (OCR), this process has its drawbacks, such as formatting errors, misspelt phrases, or the presence of inappropriate people. Whilst the books in this collection have got not been hand curated, an aim of our publishing program is to facilitate rapid access to this huge reservoir of literature. Many of the books in our collection have been out of print for decades, and therefore have not been available to everyone. Because of this book being first published many decades back, it may have occasional imperfections. While some of the imperfections may have made an appearance in the original function, others may have resulted from the scanning process that is applied. These imperfections may include poor display quality, blurred or lacking text. However, our view is that this is a substantial literary work, which has a right to be brought back into print after many decades. As part of our on-going dedication to delivering worth to the reader, we have also offered you with a web link to a website, where you may download a colour PDF version of the work for free. Our philosophy offers been guided by a desire to supply the reader with an event that is as close as feasible to ownership of the initial work. We hope that you will enjoy this wonderful traditional publication, and that the occasional imperfection that it might contain won't detract from the experience.
