Therefore you have heard of Bitcoin again and again today, and found some info on internet, but still can't grasp the whole picture. Are we sure it isn't a Ponzi? Why would anybody purchase Bitcoins? Why would I take advantage of Bitcoin instead than normal currency? Is it safe really? Clear your doubts by scanning this book and understand why Bitcoin matters, why it's money, why you should invest in it now, and what could the near future be for the 1st cryptocurrency.
