Needs a complete rewrite, translation, sequencing The use of the English language is DISASTEROUS, obviously NOT prepared by a native English speaker. This text message definitely requires a competent, indigenous English-speaking editor, who can change the valuable Information into acceptable English text message with logical sequencing. This is a shame, since a few of the Details is good, and probably not available somewhere else. Also, there is absolutely no continuity.. It appears that notes covering many topics had been complied, without consideration as to flow, chronology, geography.. Although I am fluent in Portuguese, at times, the English text message was impossible to understand.
