Penny Press Collector's Series Selected Puzzles Crypto-Families *Volume 59*

Penny Press Selected Puzzles Crypto-Famlies *Quantity 59* *New* - That is a collection of more than 300 selected puzzles from the editors of Dell, only available directly from publisher. Hours of great puzzle fun! Each Family members has it's personal code. The words in a Crypto -Family members list are related to a single theme or category indicated by it's title. Whenever a term in the list is definitely correctly identified utilize the decoded letters to greatly help decode other words in the Crypto-Family. To break the code, search for words with special letter patterns, such as repeated or dual letters. The example provided is a clue to the kind of words to anticipate in the list and will help you guess what some of the words are. A Crypto-Households is a list of related terms in a simple substitution for the right one. Please NOTE: Covers may show minor wear, contents not really affected.
