.? Utter garbage Don't waste materials your time. what they're discussing ?? If you are looking for an explanation of how blockchain functions, you won't find it here.. So for me personally a better method to enhance my understanding is definitely by reading books! This reserve did great in giving me information regarding Blockchain and the ever expanding world of online transaction. This seems to start in the center

and bounces around. Great reserve well crafted and easy to comprehend O? I actually learned more using Google, Wiki and Youtube. You'll also find out its difference and similarities with Bitcoin! Too difficult to follow. I learned even more using Google, Wiki and Youtube.. Therefore for me a better method to enhance my understanding is by reading books My friends are talking about blockchain the other day and I'm soooooo baffled and just lost as to what they're discussing ? The writing is poor, as is the book's organization. I should have heeded the sooner bad review and avoided this book.
