Ethereum Guide: Quick and Easy 10 Minute Guide: The What, Why, and How to Invest in Ether Coins UPDATED MAY 2017

[continue reading](#)

You don't have to read a 300 page book about block chain technology. Basic and to the point—no fluff. You just want a quick, 10 minute guide that will provide you with a basic knowledge of Ethereum and how you will get associated with Ether (a crypto currency) and begin potentially making money from it. When you have no idea just what Ethereum is, and if you just need to know ways to get your very own Ether coins, then this guide are certain to get you started and steer you in the proper direction. Actually took me ten minutes to read when i wrote it.
