I Wanted TO FIND OUT MORE This book is an excellent, fast read but arises kinda short with regards to explaining the actual platform. This book tells you how to post, ways to get and keep supporters, how to withdraw money, etc. Otherwise, you know what you should know. A Good Introduction This was good, for the reason that it was only book I could find on Amazon. To understand the intricacies of the platform I guess you'll have to login and use it. The issue is that all of the same content was available on the free FAQs and tutorials currently out there.If that is your first end, and you have not yet read through the FAQs, then it's an advisable read., but doesn't thoroughly explain the platform.
